Dear Educators,

We are excited to welcome your class to Frisco Fire Safety Town for our fourth year of safety education. Our mission is **'to provide a hands-on, fun place where we teach children of all ages how to play it safe everywhere, everyday!'**

IMPORTANT INFORMATION ABOUT YOUR STUDY TRIP

- ❑ **Pre-visit teaching is necessary.** A Pre-Test is provided along with pre-teaching materials. Please make sure all teachers for your grade level cover the Pre-Visit PowerPoint Presentation with their classes (this includes the pre-test). This can be accessed under the Programs tab on the Safety Town website. (www.FriscoFire.com) There is also a **Student Roster form to download** to record all of your students pre-test scores.
- ❑ **Parent chaperones are welcome.** We ask that siblings not accompany the parent for the visit.
- ❑ We recommend PE attire for you students; Tennis shoes are a most appropriate for bike riding
- ❑ Your visit may involve breaking your class into smaller groups. If so, we will need the parent volunteers to also split up to support each group.
- ❑ Please provide a copy of the **Parent Information Sheet** to each child's parent at least one day prior to your visit. It can be accessed via our website: www.FriscoFire.com under the **Programs** tab.
- ❑ **Post Testing**—Please use the Pre-Test slides and administer the testing again post-visit. There is space for both Pre & Post answers on the Student Roster form. The results should be sent to Frisco Fire Safety Town within a week of your visit.
- ❑ Because Frisco Fire Safety Town has created a unique concept in safety education, there may be other visitors observing or touring the site while your class is present. Anyone not associated with your school will be accompanied by Frisco Fire personnel at all times and shall not have interaction with students.
- ❑ Also, candid photos of your students participating in class exercises may occur; These would be used to illustrate the type of safety education and hands-on activities Frisco Fire Safety Town provides. The photographs may appear on the Frisco Fire Safety Town website, City of Frisco cable channel or utilized in printed Safety Town materials. Upon your arrival, please let us know which students, if any, should not be photographed during their visit.

*If you have any questions, please speak to your Campus Liaison (see attached list)
